Apologies and Substitutions	None received.		
Declarations of Interests	None received.		
Questions and Deputations	None received.		
Phased Re-opening of Schools	<p>The Cabinet Portfolio RESOLVED to agree the council's position statement and overarching principles following consultation with school leaders and trade unions, which is based on section 6,7 and 8 of the report and specifically:</p> <ul style="list-style-type: none"> (i) Endorses the Council's position statement and principles for the wider opening of schools across the Borough; and (ii) Schools be encouraged to adhere to the government guidelines as far as is practicable, but should be fully supported to adopt a different and phased approach to opening, which may include part-time provision for some pupils, based on their own individual circumstances and following the completion of their own risk assessment. 	To outline the Council's proposed position statement and overarching principles for the opening of schools to more pupils.	11 June 2020
