

SOLIHULL METROPOLITAN BOROUGH COUNCIL PAY POLICY STATEMENT – 2023

1. Introduction and Purpose

1.1 Under section 112 of the Local Government Act 1972, the Council has the “power to appoint officers on such reasonable terms and conditions as the authority thinks fit”. This Pay Policy Statement (the ‘statement’) sets out Solihull Council’s approach to pay policy in accordance with the requirements of Section 38 of the Localism Act 2011. The purpose of the statement is to provide transparency with regard to the Council’s approach to setting the pay of its employees (excluding those working in local authority schools) by identifying:

- the methods by which salaries of all employees are determined;
- the detail and level of remuneration of its most senior staff i.e. ‘chief officers’, as defined by the relevant legislation;
- the Remuneration Committee responsibilities for ensuring the provisions set out in this statement are applied consistently throughout the Council and recommending any amendments to Full Council.

1.2 For the purpose of this document:

‘Workforce’ is defined as all Local Authority employees, excluding those working in schools.

‘Full Council’ is a formal meeting to which all 51 members of the Council are invited and is the body that approves the Council’s major plans and policies which are implemented by the Cabinet.

1.3 The ‘Chief Officers’ referred to in this statement are detailed in paragraphs 7.1a) – 7.1c).

1.4 Once approved by Full Council, this policy statement will come into immediate effect and will be reviewed annually in accordance with the relevant legislation prevailing at that time. The Pay Policy Statement may be amended during the course of a financial year to reflect changes or developments in the Council’s pay policy. However, any amendments will only be made by resolution of Full Council. Any amended statement will be published as soon as is reasonably practicable.

2. Legislative Framework

- 2.1 In determining the pay and remuneration of all its employees, the Council will comply with all relevant employment legislation. This includes the Equality Act 2010, Part-time Employment (Prevention of Less Favourable Treatment) Regulations 2000, The Agency Workers Regulations 2010 and, where relevant, the Transfer of Undertakings (Protection of Employment) Regulations.
- 2.2 With regard to the Equal Pay requirements contained within the Equality Act, the Council will ensure there is no pay discrimination within its pay structures and that all pay differentials can be objectively justified through the use of equality-proofed Job Evaluation mechanisms which directly relate salaries to the requirements, demands and responsibilities of the role.
- 2.3 In accordance with the Equality Act 2010 the Council published its Gender Pay Gap Report based on pay information as at 31 March 2022.

3. Accountability and Decision Making

- 3.1 In accordance with the Constitution of the Council, the Remuneration Committee is authorised to determine any activity within its terms of reference, the parameters of the Pay Policy and the budget framework agreed by the Council. The full Terms of Reference of the Remuneration Committee are shown at Appendix A.

4. Pay Structure (see also Section 6)

- 4.1 The pay of Chief Officers is referred to in paragraph 7.1.
- 4.2 The Council currently uses the nationally negotiated pay spine as the basis for its local grading structure. Points 1-43 of the pay spine are determined nationally and points 44-70 were determined locally in April 2020 as part of the Single Status Collective Agreement. With effect from April 2022, all NJC spinal column pay points (bands A to J) were increased by £1,925 per annum in accordance with NJC Cost of Living Pay award. This resulted in an increase equivalent to 10.5% at the bottom of band A and 2.49% at the top of Band J. As part of the pay settlement it was agreed that with effect from 1 April 2023 SCP 1 would be permanently deleted.
- 4.3 The Council remains committed to adherence with national pay bargaining in respect of the national pay spine.
- 4.4 The pay structure as shown in Appendix B applies to all staff on NJC Terms and Conditions including those employed in Solihull schools and any increases are nationally negotiated.
- 4.5 There are two groups of staff (excluding Chief Officers) who are not covered by the pay structure shown at Appendix B. They are those staff who transferred into the Council and whose pay is protected in law under the Transfer of Undertakings (Protection of Employment) or who have historically been paid under Soulbury* terms and conditions.

**The Soulbury Committee was established in 1948 to provide voluntary collective bargaining machinery for advisory staff in local education authorities. The Council employs 12 staff members who are employed in accordance with Soulbury Terms and Conditions. In addition to the annual pay discussions, this Committee determines the national salary framework.*

- 4.6 In determining its grading structure and setting remuneration levels for all posts, the Council has taken account of the need to ensure value for money in respect of the use of public resources. This is balanced against the need to attract, retain and motivate competent and talented staff on a sustainable basis to deliver the required public services.
- 4.7 All pay related allowances paid as a means of remuneration for non-standard working patterns, are the subject of either nationally or locally negotiated rates, having been determined from time-to-time in accordance with collective bargaining machinery and/or as determined by Council policy.
- 4.8 New appointments will normally be made at the minimum of the relevant grade, although this can be varied where necessary to secure the most suitable candidate. From time to time it may be necessary to take account of the external pay market in order to attract and retain employees with particular experience, skills and capability. The Market Forces policy was agreed by the Remuneration Committee in January 2013 and will be reviewed in 2023.
- 4.9 Where necessary the Council ensures the requirement for such is objectively justified by reference to clear and transparent evidence of relevant market comparators, using appropriate data sources available from within and outside the Local Government Sector.

5. Incremental Progression

- 5.1 There is no automatic progression through the incremental salary scale. Progression within the relevant grade is subject to achieving challenging objectives and routinely demonstrating corporately determined behavioural qualities, which are agreed in advance by managers and assessed annually. Any salary progression is dependent upon there being demonstrable evidence of achieving performance improvements and delivering defined targets.
- 5.2 The Council's Performance and Development Review (PDR) Framework provides the means of recognising and valuing the individual contribution of every employee within the organisation. The framework is designed to be a motivator of performance, reward high achievement, support continued career development and recognise the importance of employee wellbeing. This scheme aims to support and maximise the potential of our workforce and is an enabler of the way we need to work to support the Council's purpose and vision where everyone has an equal chance to be healthier, happier, safer and more prosperous through growth that creates opportunities for all.
- 5.3 The 'Scheme Guidance' and 'Employee and Manager Responsibilities' set out the expectations of an employee and those of a manager and their role in making PDR a meaningful experience so everyone is clear. PDR is recognised as one of the core pillars of mandatory competencies for managers, underpinned by the requirement for every manager to undertake the core training or being assessed as competent in this professional area of expertise.

- 5.4 The framework enables every employee to:
- understand what is required of them in their role;
 - understand how their daily work and objectives link to performance plans and the Council's key priorities;
 - receive constructive feedback on their performance;
 - understand what is expected of them and what they can expect of each other as well as how their behaviours impact on others;
 - explore and agree their development needs and options.
- 5.5 As part of the Performance and Development Review Framework the maximum award an employee can receive is one increment. Where employees are at the top of their grade, a non-consolidated award that is equivalent to one increment can be paid. These awards are only made to employees who deliver strong performance and are exemplary in displaying the Council's behaviours and rated 1:1. In 2022, 481 employees (20.48% of employees assessed) received a non-consolidated award. This is an increase from 447 employees who received a non-consolidated lump sum in the previous year (19.12% of employees assessed).
- 5.6 From the Chief Executive down to first-level line managers, objective setting and measurement are part of the day-to-day skills of managing people. A programme of coaching and training has been established to support any employee who is required to review the performance of others. This is aimed at ensuring honest and regular feedback becomes the foundation of any performance conversation, and that all employees are treated fairly, equally and consistently.

Additional payments are made for Returning Officer duties in years when national and regional elections are held. These Returning Officer fees are determined by Statutory Instrument and are paid by the Cabinet Office for parliamentary elections, the Home Office for Police and Crime Commissioner elections, and by the West Midlands Combined Authority for running their elections, rather than by the Council.

In 2022 there were no elections for which additional payments were made.

The duties of the Returning Officer are detailed in Appendix C.

b) Director of Resources and Deputy Chief Executive

	4	33,820 – 39,493

The salaries quoted in section 7.1 are effective from 1 April 2022.

8. Recruitment of Chief Officers

- 8.1 When recruiting to all posts, the Council takes full and proper account of its own Recruitment and Equality & Diversity policies.
- 8.2 The determination of the remuneration to be offered to any newly appointed chief officer will be in accordance with the pay structure and relevant policies in place at the time of recruitment. Where the Council is unable to recruit to a post at the designated grade, it will consider the use of market forces supplements in accordance with its relevant policies.

8.3 Where the Council remains unable to recruit chief officers under a contract of service, or there is a need for interim support to provide cover for a vacant substantive chief officer post, the Council will, where necessary, consider engaging individuals under 'contracts for service'. These will be sourced through a relevant procurement process ensuring the council is able to demonstrate the maximum value for money benefits from competition in securing the relevant service.

9. Payments on Termination

9.1 The Council's approach to statutory and discretionary payments on termination of employment of chief officers, prior to reaching normal retirement age, (within the terms of the Local Government Pension Scheme) is set out within its policy statements in accordance with Regulations 5 and 6 of the Local Government (Early Termination of Employment) (Discretionary Compensation) Regulations 2008 and Regulations 12 and 13 of the Local Government Pension Scheme (Benefits, Membership and Contribution) Regulations 2008 (amended for the 2014 changes to the Pension Scheme). These statements are shown in Appendix D.

9.2 In cases where severance payments are over £100,000, Full Council approval is required. All severance packages, where the total cost exceeds the annual salary (plus on-costs), require the agreement of Remuneration Committee members (the Director of Resources and Deputy Chief Executive has delegated authority to approve these after consultation with members of the Remuneration Committee). Any severance packages above £100,000 are considered by the Remuneration Committee prior to being presented to Full Council.

9.3 Where an employee leaves the Council through early retirement or redundancy, the maximum payback period will generally be 3 years. The payback period is calculated by comparing the total cost to the Council of the early leaver payments to the annual gross salary saved. In the case of a compulsory redundancy, the maximum 3 year period will still apply, unless otherwise approved by the relevant Director and the Director of Resources and Deputy Chief Executive.

9.4 New statutory guidance on making Special Severance Payments (SSP) issued under section 26 of the Local Government Act 1999, came into effect in May 2022, setting out the obligations placed on Local Authorities in this regard. SSPs are described as payments made outside of statutory, contractual or other requirements when leaving employment in public service.

9.5 The Council's approach in determining any case for a SSP will firstly be to ensure these are only paid in exceptional circumstances and where it is demonstrated that all relevant internal policies have been fully explored and alternate actions considered; and that any SSP arrangements are fair, proportionate, lawful and provide value for money.

9.6 SSPs that are of £100,000 and above must be approved by Full Council; payments of £20,000 and above, but below £100,000, must be personally approved and signed off by the Head of Paid Service with a clear record of the Leader's approval and that of any others who have signed off the payment and payments below £20,000 require the approval of the Director of Resources and Deputy Chief Executive in line with the Councils scheme of delegation.

9.7 Where the proposed SSP is to the Head of Paid Service, to avoid a conflict of interest the payment will be approved by a panel including at least two independent persons.

10. Publication

10.1 Upon approval by the Full Council, this statement will be published on the Council's Website. In addition, for posts where an employee reports to the Chief Executive, the Council's Annual Statement of Accounts will include a note setting out the total amount (gross) of:

- salary, fees or allowances paid to or receivable by the person in the current and previous year;
- any bonuses so paid or receivable by the person in the current and previous year;
- any sums payable by way of expenses;
- any compensation for loss of employment and any other payments connected with termination;
- any other emoluments;
- total remuneration.

11. Lowest Paid Employees

11.1 The relationship between the rate of pay for the lowest paid and chief officers is determined by the processes used for determining pay and grading structures as set out earlier in this policy statement. The lowest paid Council employees are those on Band A, £20,258 – £20,812 per annum. From April 2023, the bottom of the pay scale for Band A will increase to £20,441 in line with the April 2022 pay settlement as outlined in paragraph 4.2.

11.2 From 1 April 2023 the National Living Wage will increase for individuals aged 23 and over from £9.50 to £10.42 per hour. This equates to a minimum annual salary of £20,103.

11.3 The statutory guidance under the Localism Act recommends the use of pay multiples as a means of measuring the relationship between pay rates across the workforce and that of senior managers, as included within the Hutton 'Review of Fair Pay in the Public Sector (2010)'. The Hutton Report was asked by Government to explore the case for a fixed limit on dispersion of pay through a requirement that no public sector manager can earn more than 20 times the lowest paid person in the organisation. One of the key drivers behind the use of the multiple was concern due to the growth in the pay of senior managers and, specifically, in relation to the rest of the workforce. The report concluded that the relationship to median earnings was a more relevant measure and the Government's Code of Recommended Practice on Data Transparency recommends the publication of the ratio between highest paid salary and the median salary of the whole of the authority's workforce.

11.4 The pay levels with effect from 1 April 2022 within the Council define the multiple between the lowest paid (full time equivalent) employee and the Chief Executive as 1:8.0. This is a reduction from 1:8.9 last year. The median salary (based on April 2022 rates) is £32,909 and the multiple between the median full time equivalent earnings and the Chief Executive is 1:4.9. This is a reduction from 1:5.2 last year.

11.5 As part of its overall and ongoing monitoring of alignment with external pay markets, both within and outside the sector, the Council will use available benchmark information, as appropriate.

11.6 The Council employs Apprentices who are engaged on a training contract. The salary paid to these employees does not fall within the nationally negotiated pay spine and they are not included within the definition of 'lowest paid employees'.

11.7 Effective from 1 April 2022 the minimum pay rate for all apprentices in Core Council was increased to £9.50 per hour irrespective of age. This rate is linked to the national minimum wage for apprentices who are aged 23 and over and will therefore increase to £10.42 per hour on 1 April 2023.

12. Trade Union Facility Time

12.1 The Trade Union (Facility Time Publication Requirements) Regulations came into force on the 1 April 2017. The regulations place a legislative requirement on relevant public sector bodies to collate and publish, on an annual basis, a range of data on the amount and cost of facility time provided to trade union officials. In accordance with the Regulations the Council has published its' information for the period 1 April 2021 to 31 March 2022 on the Council web site, in addition to the central government website.

REGULATION 30(6) and TP11(2)

Explanation

A member who is aged 55 or over and, with their Employer's consent, reduces their hours and/or grade, can then, but only with the agreement of the Employer, make an election to the administering authority for all or part payment of their accrued benefits without having retired from that employment.

If payment of benefits occurs before age 65, the benefits are actuarially reduced in accordance with guidance issued by the government actuary.

The Employer may choose to waive the reduction in whole or in part. If the Employer chooses to do so, then the cost of waiving the reduction in whole or in part has to be paid to the fund.

Policy

Each specific case will be judged on its own merits, having fully considered service delivery and financial costs.

This discretion will be exercised by the Director of Resources and Deputy Chief Executive within his/her delegated authority or, if appropriate, the Council's Remuneration Committee.

REGULATION 30(8)

Explanation

The Employer has discretion to waive any actuarial reductions that would otherwise apply under Regulation 30(5) and Regulation 30(6) for active members, deferred members and suspended tier 3 ill-health pensioners who elect to receive early payment of benefits prior to normal pension age.

Policy

Each specific request will be assessed on its own merits. Where the Council determines that the benefits should not be reduced the cost would need to be funded by a lump-sum contribution into the pension fund. This discretion will only be exercised in cases where it can be demonstrated that the Council can fund the cost of release within a three year period.

This discretion will be exercised by the Director of Resources within his/her delegated authority or if appropriate the Council's Remuneration Committee.

Policy

The Council has not approved "switching on" of the 85 year rule. Waiving of actuarial reductions will only be considered where there is a clear financial or operational advantage to the Council.

This discretion is exercised by the Director of Resources within his/her delegated authority or, if appropriate, the Council's Remuneration Committee.
