

Stronger Communities and Neighbourhood Services Scrutiny Board

Tuesday 14th March 2023

Update Note

Agenda Item 6 – Summary and Assessment of Bids for Funding from the Neighbourhood Proportion of the Community Infrastructure Levy

Since the report was prepared there is an update to make Members aware of:

- Langley Primary school has submitted additional information to support their bid for £5000 to contribute to the repair of the school drive. Previously no details to evidence this request for funding was provided. The additional information demonstrates that the project is now deliverable and the project has subsequently been assessed against the agreed scoring matrix.
- The bid scored a total of 24 which is above the minimum criteria required and there are sufficient funds in the Olton ward pot for the project to be recommended for approval and funding.

As a result, the Report and Appendices should be updated as follows:

- **Main Report**

- Amend paragraph 4.13 to read:

“4.13 Using scores from the approved matrix and based on the funding available in each ward, the following ~~13~~ **14** bids are recommended for approval and funding:...

Olton

- NCIL22-015 OLT – Langley Primary School – Repair school drive.”

- Amend paragraph 4.14 to read:

“4.14 A total of ~~£237,437~~ £242,437 is recommended for allocation this year. Following allocation of funds, ~~£164,967~~ £159,967 would remain and will ‘roll over’ for bidding in 2023.

- **Appendix B – Individual Project Scores**

- Amend assessment of NCIL22-015 OLT- – Langley Primary School as follows:

NCIL22-015 OLT- – Langley Primary School

Amount requested - £5,000

Amount in pot – £20,212

Screening	Yes	No	
Infrastructure	✓		Repair school driveway
Maintenance	✓		Future maintenance included in project plan
Deliverability	✓		Quote and timescale provided

Criteria	0	1	2	3	We ¹	Sc ²	Comments
----------	---	---	---	---	-----------------	-----------------	----------

¹ Weighting

² Score

Benefits of the project			✓		3	6	Driveway used by school as well as the wider community who use the school facilities for clubs and groups. Therefore driveway has a lot of use.
