

SOLIHULL COUNCIL PLAN 2020-25

Economy

- People, business and the environment benefit from UKC and HS2, including increased access to good work
- More affordable and environmentally sustainable housing built
- Our town and local centres have stable or growing economies
- More visitors to the borough.

Environment

- An enhanced, well connected natural environment
- More people walking, cycling and using public transport
- Air quality has improved by 2025
- The Council is net zero carbon by 2030 and the Borough is net zero carbon by 2041.

People and Communities

- Improvements in early childhood development and school readiness in disadvantaged communities
- Stronger, more connected, resourceful communities finding solutions to local problems
- Children and adults with care and support needs are empowered to build on their strengths and be as independent as possible.

Everything that we do contributes to one or more of the five building blocks of inclusive growth:

- Building a vibrant economy
- Promoting & delivering social value
- Enabling communities to thrive
- Actioning our climate change declaration
- Improving skills and access to good work
