1. Purpose of Report

- 1.1 To approve the revision of Governing Body Instrument of Government

2. Decision(s) recommended

- 2.1 To approve the revision of the Instrument of Government for Blossomfield Infant and Nursery School.

3. Matters for Consideration

- 3.1 The governing body is re-constituting under the latest 2012 regulations which give governing bodies more flexibilities in their composition than previously. This means that they should be no bigger than necessary to secure the range of skills required and that their Governing Body is constituted from an appropriate number of governors in the correct categories.
- 3.2 The change in the revised Instrument for Blossomfield Infant and Nursery School is to attract specific skills on the board; changing the current 10 governors to 11 by increasing the number of co-opted governors by 2 and reducing the number of parent governors by 1. The governing body proposal meets the requirements of Schools Governance (Constitution) (England) Regulations 2012.
