Declaration of Interests	None received.		
Questions and Deputations	None received.		
Green Homes Local Authority Delivery Scheme	<p>The Cabinet Portfolio Holder:</p> <ul style="list-style-type: none"> (i) Noted the agreement that Solihull Metropolitan Borough Council has entered into with the Midlands Energy Hub, formally expressing its interest to participate in the Green Homes Local Authority Delivery Scheme; (ii) Approved the submission of the Council's delivery plan to the Midland Energy Hub by 24th May 2021, based on the principles and approach set out in this report. This will confirm the Council's participation in the Scheme; (iii) Approved the prioritisation of the Council's housing stock, which is managed by Solihull Community Housing, for investment through the Scheme. This is subject to subsequent property and household eligibility; and (iv) Agreed that the Council uses the experience, evidence and learning from the Green Homes Local Authority Delivery Scheme to inform its future retrofit ambitions and delivery models for the Borough. This would include consideration for the development of local skills, apprenticeships, business investment and in-house options within a report to Cabinet at a 	<p>The preferred option is to submit a delivery profile that aims to maximise the funding allocated to the Council to deliver LADS2. This will provide scope to revise this down if there are challenges with delivering the expected outputs. Conversely, if delivery exceeds expectations there may be scope to increase Solihull's funding allocation during the year, if funds are redirected from other local authorities.</p> <p>Section 5 of the report provided further details for the reasons for recommending the preferred option.</p>	27 May 2021
