Question from the Conservative Group under Standing Order 8.

1) \*Cllr O'Nyons to Cllr Holt Cabinet Portfolio Holder for Children, Education and Skills

As the future of both the Scout and Guides groups who currently occupy the Summerfield Site in my ward is so linked to the future use of the site, could the Cabinet Member who I understand currently hold the site, advise me when he believes the future of the site from the position of his directorate will be determined.

2) Cllr O'Nyons to Cllr Hawkins Cabinet Portfolio Holder for Environment and Infrastructure

Often forgotten about is the Hobs Moat Ancient Monument situated within my ward, it is believed to be the remains of a ruined 12th century castle and home of the local lords of the manor and founders of the area that we now call Solihull. Arguably had there been no Hobs Moat, there would be no Solihull.

I would like to see the Monument given a new lease of life, therefore will the Cabinet Member and his officers commit to exploring with me possible internal and external funding opportunities, to finance much needed maintenance work and possibly new visitor signs/bins/benches etc., or maybe even a nature trail to help bring the woods back into the heart of the Lyndon community.

\*There is another question from a different Group on the same subject.
